The camp which had been scheduled on Sunday '24' July 16 had been a grand success and had successfully provided treatment to the needy children. But some children need to be treated for complicated cases which was not possible to treat on that day. So it would be very helpful if ~~area~~ treatment could be provided in college premises free of cost. The camp had been wonderful and I ~~to~~ would like to thank you for supporting this noble cause.

Thanking You.
