**Work done by HSET:**

**Building Centres of Excellence:**

Our institution is progressing towards building of centre of excellence in various departments

**‘Prayaas: Centre for Maxillo-Facial Rehabilitation’**

Our goals will be to focus on delivering value and service to patients. To create an environment that is nurturing for students to learn maxillofacial rehabilitation and develop a network that brings support to clinical and research work

**How it will benefit the institution?**

**‘Centre for Advanced Endodontics’**

**DEAN**

**VSPM'S Dental College &  
Research Centre, Digdoh Hill  
Hingna Road, Nagpur-440019**

At Endodontic center of excellence, we provide our patients with highest quality of endodontic treatment by advance technology and techniques. We aim at offering the best and most affordable endodontic treatment at easy reach of masses.
