5. ESTPL LETTER FOR STP-ETP

STP/ETP

 Letter submitted to the
Chairman for amendment
of POA Accepted by the chairman

Ecologique Science Technik (I) Pvt. Ltd.

estpl

To, Date: October 26, 2016
The Chairman,
VSPM, Nagpur.

Subject:- Incorporation of the following points in the quotation of phytoid submitted by
ESTPL

Reference : ESTPL quotation phytoid system for ETP and STP dtd. 22/10/2016 and Email received
from Shri Sharma on 25/10/2016

Dear Sir,

Subsequent to meeting with you and our above referred quotation an email is received from Shri
Sharma on 25/10/2016 to incorporate a few additional conditions in the proposal of ESTPL. Please
find below response to the conditions raised by VSMP

1. Scope of work : Engineering and Civil work for the complete project at all levels will be vetted by
ESTPL subjected to the final vetting by HOD's Civil.

Response 1: Civil work for the complete project at all levels will be vetted by ESTPL & HOD's Civil
within the scope of the work defined as per drawings and offer letter. There will not be additional
requirement at the time of vetting.

2. Supervision :- The entire supervision of the Civil Work and the Project will be done by Civil VSPM

Response 2: ESTPL will submit the periodic reports once in every 2 months to Civil department and
Chairman for the progress of the work. Progress of the civil work will be discussed in periodic
meetings with Chairman VSPM

3. The project deemed to be completed after issuing commissioning certificate by VSPM.

Response 3: Acceptable. Project deemed to be completed after issuing commissioning certificate by
VSPM. VSPM will issue commissioning certificate within one week from the project completion
report submitted by ESTPL. If the commissioning report is not received within 4 weeks from the
project completion certificate by ESTPL the project deemed to be completed and considered as
handed over. Also please note that the project can be commissioned only if the simultaneous work
for sewage and wastewater lines are completed and the wastewater is reached to the site for
treatment. The sewerage line laying is not in the present scope of the ESTPL.

4. Financial Proposal Cost summary:-

I. The consultancy charges for the phytoid plant to includes ETP 250 KLD and STP 750 + Lake Management. However the treatment of STP ETP will be separate may which needs clarifications.

Response 4.i: The treatments of the ETP and STP are separate. The location is only at one place. There will be separate streams for the treatment. Please see the attached table which was discussed with your previous team and considered as following;

ETP: All the wastewater coming from hospital, OPD and Dental college considered with capacities of the beds/heads total capacity 700 kld

STP: Sewage from Girls Hostel, Mess, Staff Quarters, Upcomming NRI-Girls Hostel, other hostels and Mess

Lake Treatment: Considered as adding surface aerators and sonic treatment devices for algae control

II. Civil works including cost as per the conceptual drawing and structural drawing verified ESTPL will be subjected to final verification by HOD Civil VSPM AHE. In case cost is less then agreed contract value will be reduced to that extent. However in no case any exclamation will be allowed

Response 4.ii: The cost quoted by ESTPL is for turnkey project including entire civil work as per already submitted drawing. Structural drawing will be based on the conceptual drawing submitted. The final cost will be as agreed and quoted in our quotation of 22/10/2016. The final civil cost as mutually agreed in the meeting will be Rs. 2,35,93,212 (Rs. 2,31,30,600 plus Works tax of Rs 4,62,612). It will not be reduced as well as escalation will not be allowed if delayed by ESTPL beyond the agreed period of the project.

5. Payment Schedule: The exact time of completion to be specified for each mile stone.

Response 5: A time schedule chart is attached herewith. The payments will be linked to each milestone. The timely completion of the civil in 12 months and other works within 2 months after Civil work will depend on the timely payments at each step i.e. within one week from the submission of the invoices/bills. Any delay in the progress of work on the account of delayed payments will not be considered as delay in the project work by ESTPL. If there are delays in the payment escalation in the cost @8% p.a. will be applicable.

6. Warranty clause of fifteen months not highlighted in scope of work.

Response 6: We include the clause of fifteen months warranty from the date of supply of the equipment

39, Agnelayout, Swawalambi Nagar, New Khamia Raod, Nagpur 440025
Email: ecologiqueindia@gmail.com (M) 9822745768

Udell

DEAN

VSPM'S Dental College &
Research Centre, Digdoh Hills,
Hingna Road, Nagpur-440019

7. Noise absorbing panel to be installed on the Ozonator Pumps being hospital.

Response 7: The entire treatment plant will be at one location and away from the hospital and therefore will not make noise problem.

8. Client will keep VSPM indemnified for any third party or direct liabilities during the work.

Response 8: ESTPL and VSPM both will keep mutually indemnified each other for any third party or direct liabilities during the work.

9. No additional taxes will be paid except mentioned in your quotation i.e. the cost specified will be maximum cost.

Response 9: The cost of services, supplies and civil work will remain fixed as per the offer. The taxes are as per the policy of the central/state government and the rates for the same will be as per the prevailing rates and to be borne by VSPM.

In addition please note following points as discussed in the meeting with Chairman regarding the scope of the work.

- 1) The ETP part considered in the project include the liquid waste from hospital wards and biological wastes such as blood, body parts or used medical tools/ syringes washings, other solid biological wastes is not considered as explained in the meeting. The biomedical wastes requires separate disposal through authorized biomedical waste disposal agency.
- 2) ESTPL will provide the technical reports/information, presentations required for clearance from any statutory bodies. However, ESTPL will not facilitate or will not liaison with statutory agencies
- 3) Pre-ozonation treatment is provided to break the larger molecules such as antibiotics to avoid super-bugs formations in secondary treatment.
- 4) The project can be commissioned only if the simultaneous work for sewage and wastewater lines are completed and the wastewater is reached to the site for treatment. The sewerage line laying is not in the present scope of the ESTPL.

You are requested to convey your acceptance so as to include the same as part of the present proposal.

With Best Regards

(Mahesh Vartya)
