

1. TITLE OF THE PRACTICE:

Annual Awards

2. OBJECTIVE OF THE PRACTICE:

- To appreciate and honor the staff members for continuous professional development
- To motivate the staff members to achieve higher benchmarks
- To create a healthy competitive working environment in the departments

3. THE CONTEXT:

The faculty members of our institution work relentlessly to improve the quality of dental education as well as treatment. However, working in the same environment for years together can lead to complacency and stagnation;

For the overall growth and development, it is mandatory that everyone strives for excellence. VSPM'S Dental College and research center strongly believe that the institute can progress only with the wholesome progress and development of its individual staff members. Hence to inculcate the habit of continuous self-improvement and professional excellence, the institute has in place we have started a policy of awarding the best individual performer and best department at the hands of the Honorable chairman of the institute Shri Ranjitbabu Deshmukh.

4. THE PRACTICE:

The Institute has a three-member committee for annual awards. Every year four awards are given by the institute for outstanding performance in various categories namely: Best Emerging Talent, Best Individual Performer, Best Non-Teaching Staff Member, and Best Performing Department. The criterion for each category is structured and marks are awarded for excellence in various fields depicting all-round development. This not only maintains objectivity and fairness in the selection process, but it also ensures that various attributes for professional and personal growth are properly accounted for. Nominations are invited for various categories of awards in the prescribed format.

Nominations include a detailed CV of the nominees along with a list of achievements for the said year. After the last date, the nominations are scrutinized by the awards committee and the winners are decided based on the objectively structured marking scheme. The awards in each category are given on Republic day each year.

5. EVIDENCE OF SUCCESS:

Over the years this practice has encouraged more and more staff members to perform better and strive for excellence. The committee has seen a steady rise in the number of applications received every year. The competition has increased manifold and it is difficult to choose a single winner in each category. Certain aspects of dental professional development which were overlooked earlier have now become an important aspect of continuous professional growth amongst our staff members.

6. PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:

Due to a high degree of competition, the enduring satisfaction of all the staff members is a challenge. The management sponsors the awards and the committee members are happy to scrutinize the application.

Best Practice 2- Dant Tapasani Abhiyaan

1. Title of the Practice: Dant Tapasani Abhiyaan - An initiative towards dental disease free campus.

2. Objectives of the Practice: the objectives are three folds

1. To create awareness about dental health among all Stakeholders of VSPMAHE's Digdoh Campus.
2. To screen for various dental diseases among the stakeholders and to make appropriate referral
3. To make the Digdoh Campus Dental Diseases Free.

3. The Context: Dental Health is a reflection of general well being of an individual. Most of the systemic diseases will have their first appearance in the Oral cavity. Thus the association between oral health and general health is well established so with the objective of improving oral health status of all the stakeholders of Digdoh campus thereby striving towards dental diseases free campus and later aiming towards dental disease free society in large. Ranjeet Deshmukh Dental College and research centre has come out with a unique welfare activity under the name "Dant Tapasani Abhiyaan"

4. The Practice: As a Part of this campaign, Dental Check Ups/Dental screening of all the stakeholders i.e. teaching, non teaching staff, employees of the service department and students was carried out under absolute aseptic conditions. The program runs throughout the year. Dental checkups were carried out at respective venues of all four institutions i.e. NKPSIMS, Ranjeet Deshmukh Dental College and Research Centre, VSPM College of Physiotherapy and Madhuribai Deshmukh College of Nursing Education, at Digdoh campus as per the pre defined schedule. The employee of the service departments were screened once in every six months. The campaign was just a beginning in its journey towards a dental disease free society.

5. Evidence of Success: The response for the campaign was enormous as the benefits were two folds. Firstly, oral health issues of all the stakeholders are addressed in a shorter duration and at a walk able distance due to location of dental college within the campus .Secondly, the dental treatments are provided at very subsidized rates as the institute being a sister concern . Till date around **1326** stakeholders were screened for dental diseases and around **813** new patients were referred for treatment. Out of these **446 (54.85%) students** from various colleges and **367(45.14%) staff** including Teaching Non Teaching and Service departments from various institutes have been benefitted and were treated for their dental ailments.

6. Problems Encountered and Resources Required: Major challenges being 1) there was a slight negligence towards dental health among the employees of service department due to chronicity of dental diseases.2) Reluctance to quit smokeless tobacco habit as have developed 3) reluctance for taking suggested treatment due to fear of unknown.

7. Notes (Optional): The campaign would pave a guiding path for all the health professional as we stand out as idol to the society as far as oral health is concerned and thus it is very essential for all health professional to maintain their highest level of oral health before recommending to common man to adopt healthy oral health practices.

Report Dant Tapasani Abhiyaan June 2023 to July 2024

The Department Of Public Health Dentistry, VSPM Dental College, Nagpur has launched Dental Check Up Campaign named "Dant Tapasani Abhiyaan " on 4th January 2022, Under The Employee Welfare activity For all Stakeholders Of VSPM Digdoh campus including Students, Teachers , Non teaching staff, and employees of the service departments..The abhiyaan is aimed At Making The Campus Dental Disease Free.

As a Part of this campaign, Dental Check Ups/Dental screening of all the stakeholders i.e. teaching, non teaching staff, employees of the service department and students was carried out under absolute aseptic conditions. The program runs throughout the year. Dental checkups were carried out at respective venues of all four institutions i.e. NKPSIMS, Ranjeet Deshmukh Dental College and Research Centre, VSPM College of Physiotherapy and Madhuribai Deshmukh College of Nursing Education, at Digdoh campus as per the pre defined schedule.The employee of the service departments were screened once in every six months.

Till date around **1326** stakeholders were screened for dental diseases and around **813** new patients were referred for treatment. Out of these **446 (54.85%)** students from various colleges and **367(45.14%)** staff including Teaching Non Teaching and Service departments from various institutes have been benefitted and were treated for their dental ailments. The college wise distribution is as follows:

Sr no	Year	College/Institute	Total No. of Patients examined	Total No. of referral
1	June 2023 to July 2024	Nursing College	446	289
2		Physiotherapy College	198	132
3		Dental College	326	179
4		NKP SIMS	239	134
		All Service department	117	79
	Total		1326	813
