Subject: Appreciation for Conducting Dental Services at Our PHC

Dear Sir,

On behalf of **Vyhad Primary Health Center** (PHC), I extend our heartfelt gratitude to you and your esteemed institution for your valuable contribution to the health and well-being of our community through the dental services conducted at our PHC twice a month from July 2023 to June 2024. In total your team has provided 20 visits to our PHC for the year 2024 for which we are immensely grateful.

As per the Memorandum of understanding (MOU) signed between us, the team of dedicated doctors from your esteemed college has been offering basic dental services to patients at the Primary Health Centre. Your team's commitment to providing high-quality dental care and raising awareness about oral health among the underserved population has made a significant impact. The services provided during these camps, including consultations, preventive care, and treatments like extractions, fillings, scaling and x-rays which have been immensely beneficial to our patients who otherwise lack access to specialized dental care.

We deeply appreciate the dedication and professionalism demonstrated by the faculty members and students of your college. Their compassionate approach and willingness to go above and beyond have earned the respect and admiration of our staff and patients alike.
