Topic: Epidemiological studies in dental research

Webinar via Zoom online platform

Organized on 1st Oct 2022

Speaker: Dr Anubhuti Charde

Brief report:

Dr Usha Radke (Dean, HOD- Dept of Prosthodontics, VSPMDCRC) welcomed the speaker and the participants. Dr Saeesh Deshpande (Assoc Prof Dept of Prosthodontics, Member BORS) introduced the speaker who is also alumni of this institute.

Dr Anubhuti elaborated about various types of studies in dental research. She also shared examples from her own professional career and the challenges she faced during the implementation. She explained the role of epidemiological studies in public health and how it affects policy making and also step by step process of conducting the same in practice.

Participants engaged in interactive Q and A session after the session.

Dr Abhay Kolte felicitated the speaker with certificate and gave concluding remarks.
