**Subject: Report on 'Library Orientation & Card Distribution' conducted for U.G. & P.G. Students**

Respected Sir,

This report pertains to the 'Library Orientation & Card Distribution' program conducted for U.G. and P.G. students in the Library.

The orientation for U.G. students was successfully held on 13th December 2024. A significant number of U.G. students (90) attended the program. During the orientation, students were familiarized with the fundamental rules and procedures of the RDDC & RC Library. Furthermore, a practical demonstration of the 'self-issue and return of books' process using the RFID kiosk was provided.

The P.G. student orientation was conducted on 25th of October 2024 with 31 P.G. students in attendance. The new P.G. students were introduced to the basic rules and procedures of the library. Detailed information regarding the library's collection, including both print and e-journals subscribed, was shared. A hands-on demonstration of accessing the e-journals, which our library subscribes to enhance academic and research facilities for the faculty and students of the institute, was also provided.
