REPORT

Name of Event: World Environmental Day Celebration

Venue: Ranjit Deshmukh Dental College Campus

Date: 28/06/2024

Time: 9:30am

The Ranjit Deshmukh Dental College celebrated Environmental Day on campus with great enthusiasm and active participation from staff and students. The event was an initiative undertaken by the Alumni Committee to promote environmental awareness and contribute to ecological balance within the college premises. As part of the program, 15 bird feeders were planted throughout the campus to support and sustain the local bird population. These feeders are intended to provide a continuous source of nourishment for various species of birds, reflecting the institution's commitment to coexisting harmoniously with nature.

The event received wholehearted support from the Dean, Vice-Dean, faculty members, and staff of the college, who joined hands with the alumni in planting and placing the bird feeders at different locations within the campus. Their involvement made the initiative both meaningful and successful, setting an inspiring example for students. The celebration highlighted the importance of preserving biodiversity and fostering a greener, healthier environment. By creating safe and nurturing spaces for birds, the college reinforced its dedication to environmental responsibility and sustainable practices.

The day concluded on a positive note with a pledge to continue such eco-friendly initiatives in the future, ensuring that the Ranjit Deshmukh Dental College campus remains not only an educational hub but also a sanctuary for nature.

Report: Lecture on Environmental Pollution & E-Waste Collection Drive organized by Alumni Association at RDDC and RC, Nagpur

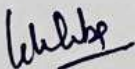

Date: 28th November 2024 and 10th January 2025

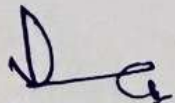

Speaker: Mrs. Shefali Dudhbade

The Alumni Association of Ranjeet Deshmukh Dental College & Research Centre formerly known as VSPM Dental College & RC conducted an alumni guest lecture on "Environmental Pollution" by Expert environmentalist Mrs. Shefali Dudhbade, on 28th Nov 2024. The speaker enlightened the hundred interns and first year undergraduates about the various types of pollution (air, water, soil, noise) and their harmful effects on health and the environment. She emphasized the need for sustainable practices like waste segregation, reducing plastic usage, and adopting clean energy solutions. The session received enthusiastic response from participants. Dr. Jayashree Joshi gave the Vote of thanks.

E-Waste Collection Drive:

A collection drive was organized to collect old and non-functional electronic items for safe recycling. Participants brought in their e-waste, which was handed over to certified recycler Mrs. Mahima Suri who runs "SURITEX PVT LTD" to prevent environmental contamination. The event successfully raised awareness about pollution and e-waste, with active participation from students, faculty, and local residents. The Alumni Association plans to continue similar initiatives in the future.
