Action Taken Report of Second PTM of FIRST B.D.S.

First year 2021-22

Sr. No.	Suggestions	Action Taken
1	- Need monthly update of attendance and performance	- Annually two PTMs are conducted where mentors contact the parents personally and inform about the students performance. - The mentors also mail the attendance and PCT results on parent's mail ids regularly. - Short of attendance letters are posted to the parents whose wards attendance is below 50%.
2	- There should be gaps between PCT so that students will get optimum time for revision.	Due to the late conduction of First PCT; the gaps between the rests of the two PCT's was less. From next time this won't happen.
3	- Students are getting sick due to impure drinking water supply and food preparation in mess. So, improve the system of mess and hostels.	The message is conveyed to Dean madam and Hostel committee to take the action immedietely.
