E-learning course: Research Methodology & Scientific Writing

Introduction

VSPM Dental College and Research Centre, Nagpur has started an e-learning course titled 'Research Methodology & Scientific Writing'. This is an initiative by Interns Monitoring & E-learning Committee with an intent to inculcate skills of conducting authentic research amongst the dental undergraduates.

The course has a hybrid structure including online live session, offline discussion forum as well as face to face mentoring and online assignments and quiz.

A hands-on experience in the form of research project to be completed in stipulated time is also an integral component of this course.

Eligibility: students pursuing BDS course

Duration:

The course is divided in four modules: 20 hours, Project work: 6 months

Mode of course delivery: synchronous and asynchronous

Course outcomes:

- Understanding of Research Concepts & Methodology.
- Choose the right research design for different research questions.
- Record and Analyse data using basic statistical techniques.
- Interpret analysis of data and report findings for publishing in the form of manuscript preparation and submission.

Course co-ordinator:

Dr Surekha Rathod (Prof Dept of Periodontics, Chairperson Intern's Monitoring Committee),

Dr Saeed Deshpande (Assoc Prof, Dept of Prosthodontics, co-ordinator e-learning committee).
